Subject: upcoming EMF open houses discussion

Hello, all –

Considering the interest that the open houses are generating,
it will be good to get together to
discuss...

- * anticipated media attention
- * finessing materials for the events, e.g., language and information in the fact sheet
- * anticipating questions from attendees and how to address their concerns
- * how to prepare and manage for large turnout at the open houses

Please let me know if you have any questions in the meantime, and/or if you have any items you want to add to the discussion.

Thanks – Julie
